What to send me: Please send 3 (three) very sharp, clear photographs of the subject(s); be sure to tell me which pose if preferred. The image size (i.e., size of the finished drawing) will be approximately life-size. Pencil & watercolor portraits will be executed on high-quality 18"x24" Strathmore drawing paper, rolled in a tube for mailing, and shipped within two weeks of payment of the order. Oil paintings are boxed/crated and shipped via UPS Ground. Due to the drying time of oil paint, oil paintings can take several months to complete and will be shipped only when paint is totally dry.

Please mail your order(s) to: Maren Phillips at the HEADLines address provided above.

For large orders, portraits composed of more than 4 subjects, and/or oversize portraits, please contact Maren at HEADLines-Art prior to placing your order.
